DESCRIPTION

Set on a 5-acre parcel in Sisters, Oregon, this freshly remodeled custom home showcases a striking hexagonal main living space with vaulted ceilings and large windows that fill the interior with natural light. The new kitchen features stainless steel appliances, a brand new gas stove and dishwasher, and opens to a full wrap-around deck and outdoor picnic area—ideal for entertaining and stargazing. The residence offers five bedrooms, three baths, a bonus loft, balcony access from bedrooms, a second living space with piano, and a dedicated office space. Comfort features include split system A/C and heat, cadet heaters for additional warms, ceiling fans, and more. Practical amenities include metal roofing, outbuildings for storage, large-vehicle parking, a basketball court, indoor greenhouse with in-floor drainage and water supply, wood-plank walls, and a unique floor layout that highlights multiple gathering areas.

A MUST SEE! Home is unfurnished. Lease term through Summer 2027. Schedule a showing today!
